

I'm excited to share a special event with you and would love your help to make it a success!

On **Friday, November 14, 2025, at 7:00 PM**, the Penn Middle Band will host illusionist **David Matheus** for an incredible magic show in the Penn Middle School auditorium. This event will directly benefit our middle school band program.

How can you help?

- **Buy tickets** for you and your family to enjoy an evening of amazing magic.
- **Spread the word!** Invite friends, relatives, and neighbors to join us. The more attendees, the greater the support for our program.

Get your tickets here:

<https://www.tickettailor.com/events/themagicofdavidmatheus/1851821>

Want to know more about David's incredible performances? **Check out his website here:**

<https://davidmatheus.com/homepage/corporate-and-private-events/>

I've seen him perform several times, and he never fails to impress—this will be a fantastic show! Please note: this performance is **best suited for school-age children and older**.

Also, **keep an eye on our social media page** for event updates—and please **share our posts** to help us spread the word even further! (**Penn Middle Bands** on Facebook or **pennmiddlebands** on Instagram)

Thank you for your continued support of our students and program. Together, we can make this a magical night for everyone!
